On 08 September 2023, the Bidder received an order issued by the SEC (the "Order") directing it to commence a second tender offer period for the remaining Common Shares of the Company, that are not beneficially owned by the Proponents as of 06 September 2023, within 20 calendar days from the receipt of such Order, or by 28 September 2023 (the "Second Tranche").

Holderfin had previously conducted a tender offer for all outstanding shares of HLCM, which are not beneficially owned by the Proponents from 10 July 2023 to 30 August 2023 (the "First Tranche") in order to comply with the requirements of a voluntary delisting of HLCM from the PSE.

6. What is the basis of the tender offer price?

The Tender Offer Price for the Second Tranche will be the same as the First Tranche. The Tender Offer Price for the First Tranche was determined in accordance with the PSE's Voluntary Delisting Rules.

Section 2(d) of the PSE's Voluntary Delisting Rules provides that the minimum tender offer price shall be the highest of:

- a. The highest valuation based on the fairness opinion or valuation report prepared by an independent third-party valuation provider in accordance with SRC Rule 19.2.6; or
- b. Volume weighted average price of HLCM's shares for one year immediately preceding the date of posting of the disclosure of the approval by HLCM's Board of Directors.

Based on the fairness opinion report prepared by ING B.V, an independent third-party valuation provider, the fair value range for HLCM shares is between Php 4.73/sh to Php 5.33/sh. Holderfin has set the tender offer price at the highest end of the range or Php 5.33/sh. Compared to the last closing share price of Php 3.87 on June 29, 2023, the tender offer price of Php 5.33 represents a premium of 37.73%. Comparing to the 1-year VWAP of Php 4.13, the tender offer price of Php 5.33 represents a premium of 29.06%.

7. Will Holderfin consider raising the tender offer price?

Holderfin will not consider raising the tender offer price. The tender offer price of Php 5.33 represents the best and final offer of Holderfin. Php 5.33 is at the top of the fair value range.

8. What does Holcim need to do to be able to do a voluntary delisting process?

- a) A tender offer to all stockholders of record must be made. A fairness opinion, stating the fair value or range of fair values of the listed security must be submitted. A fairness opinion report has been submitted by ING Bank N.V. Manila Branch.

17. How do I file the Capital Gains Tax and the Documentary Stamp Tax?

Tendering Shareholders will be responsible for filing the relevant tax returns and paying DST and CGT. Isla Lipana & Co (“PwC Philippines”) has been engaged by the Bidder as tax consultant to assist the tendering shareholders in securing the CAR from the BIR.

To pay the CGT and DST, Tendering Shareholders should first secure the One Time Transaction (ONETT) Computation Sheet from the ONETT Division of the BIR RDO where they are registered. This will require presentation of the required documents like the Deed of Sale, etc. For filing of the returns, eBIR facility should be used. The email confirmation on the filing of the tax returns together with the tax returns and the Computation Sheet are the required attachments when paying the taxes (should be within the deadline to avoid penalties) with the Authorized Agent Bank (AAB) within the jurisdiction of the RDO where the seller is registered.

Assuming execution on 3 November 2023, Capital Gains Tax (“CGT”) must be filed within 30 days after 3 November 2023 (the “Execution Date”), or on or before 4 December 2023 (since 3 December falls on a Sunday), while the Documentary Stamp Tax (“DST”) should be filed within 5 days following the month of the Execution Date, or on or before 5 December 2023.

18. How do I secure the BIR Certificate of Authorizing Registration (“CAR”) and other relevant documents?

Tendering Shareholders may opt to process their own CAR. However, Tendering Shareholders who prefer PwC Philippines to secure the CAR on their behalf should submit the following documents to the Tender Offer Agent on or before 20 December 2023:

- (i) Validated BIR Form No. 1707 (Capital Gains Tax Return for Onerous Transfer of Shares of Stock not Traded through Local Stock Exchange) and BIR Form No. 2000-OT (Documentary Stamp Tax Declaration/Return (One-Time Transactions) duly received by the Authorized Agent Bank (AAB) within the jurisdiction of the BIR RDO where the shareholder is registered;
- (ii) E-mail confirmation from the BIR on the filing of validated CGT and DST returns using eBIR Forms facility;
- (iii) ONETT Computation Sheet on the computation of applicable taxes secured from BIR ONETT Division where the shareholder is registered.
- (iv) Original Official Receipt/Deposit Slip as proof of payment of the relevant taxes. For no CGT payment return (in case there is no capital gains), copy of Acknowledgment Receipt of return filed thru eBIR Forms (email confirmation).

Notwithstanding the foregoing, if the Bidder does not receive the CAR of a Tendering Shareholder within six (6) months after the Settlement Date, the Bidder and/or the Paying Agent through the Tax Consultant is hereby authorized to file the relevant tax returns, pay the relevant taxes (together with any applicable penalties, interests and surcharges as the Bureau of Internal Revenue may assess) and apply for a CAR for the transfer of legal title over the shares to the Bidder, and all expenses incurred in undertaking such activity/ies shall be deducted from the Balance Amount.

19. Why will I only receive 75% of the tender offer price per share on the settlement date?

Only 75% of the tender offer price will be paid on the settlement date, as the remaining 25% of the tender offer price will be withheld for the payment of the Capital Gains and documentary stamp taxes [and other expenses] (in case of failure by the Tendering Shareholder to pay such taxes or deficiencies in such payment) that the tendering shareholder is required to pay. Once the Certificate Authorizing Registration (“CAR”) is issued by the Bureau of Internal Revenue, STSI will release to the tendering shareholder the remaining balance of the withheld 25% of the tender offer price.

20. What is the impact on minority shareholders in and after the tender offer? How can they trade in HLCM shares after delisting?

The Tender Offer process operates as a minority shareholder protection mechanism. It requires Holderfin to make a tender offer to the minority shareholders of HLCM, thus allowing them to sell their shares in HLCM at a fair price prior to HLCM being allowed to delist from the PSE. Following the delisting, all transfers of shares in HLCM can only be done outside the facilities of the PSE. **After the delisting of the HLCM shares from the PSE, selling shareholders would need to find a buyer in the over-the-counter market, outside of the facilities of the PSE. Normally, there is no market for unlisted shares which will provide you immediate liquidity.**

21. What is the process for shareholders who are based abroad to participate in the tender offer? What are the required documents?

The process and the documents to be submitted by shareholders abroad are the same. However, if a document that is required to be notarized is executed abroad, then it must also be apostilled, if executed in a country that is a member state of the Apostille Convention, otherwise, it should be consularized. The Application and all its attachments must be received by the Tender Offer Agent not later than 12:00 P.M. of 30 October 2023

22. Will there be another tender offer after the current Tender Offer?

No, Holderfin does not intend to conduct another tender offer after the Second Tranche. Shareholders are encouraged to participate in the Second Tranche process while Holderfin is willing to purchase shares of HLCM.
